Application for Carl Perkins Child Care Program
San Jacinto College District

Program Rules

I. Completion of admission requirements for San Jacinto College is necessary before an application can be considered for the program. This program is designed to support students with special or unique circumstances (as defined by Perkins V) and non-traditional participation and completion of CTE programs.

II. The amount of individual funding available for childcare services will be calculated based on student need. Qualified applicants may receive full or partial childcare funding, depending on availability of grant funds. You will be responsible for any amount that exceeds the grant coverage. Actual amount funded will depend on the student's class schedule and grant funding availability.

III. A student must be currently enrolled in a technical program before an application can be approved.

IV. Approval Process and Documentation Required
   a. Student must be major in a San Jacinto College technical or health science program.
   b. Completed online application for Childcare Assistance at San Jacinto College.
   c. Completed SJC Vendor Set-up packet with direct deposit form is required upon award
   d. A GPA of 2.0 or higher is required for acceptance and continuation into the program.

V. Additional stipulations
   a. All awards are contingent upon available funding. Award is subject to cancellation when funds are no longer available.
   b. In order to receive childcare funding, child(ren) must be enrolled at the San Jacinto College Central campus children's centers or an alternate, licensed daycare facility.
   c. Applicants must immediately notify the grant coordinator via email of any changes in class schedule or daycare enrollment status. Failure to do so may result in immediate discontinuation of funding and the applicant will be liable for all charges incurred.
